

after injury they're taking him back to his apt  
head blow andthen revs over and forgets  
what side , picks one: forever for the freely elected gov  
and doesn t get blasted  
then sees all literature in apt fm the other  
--must've just been free inquiry but destroy so others  
are not corrupted  
story full of patriotic speeches  
one written before a loser has been executed  
same speech but rockets red glare  
reddish blooming glow of the arching rockets' parabola  
out causae was stil ubiquitous

too pat!!!! where's curve?  
death to paraphrasers

free inquiry now butnot then and they're getting him for then
